

“Gems in Our Crown”

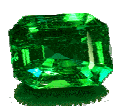

Dear Villa Park Choral Music Patron:

The award winning Choral Music Department at Villa Park High School is recognized as one of the finest programs in the state. The singers perform in numerous concerts each year including the Winter Concert, Spring Concert and the ever-popular Broadway Concert and **this year we have added our Fall Concert!** These concerts are given in conjunction with Cerro Villa Middle School.

The Choral Music Booster Club, under the direction of Booster Club President Katherine Fotch and Choral Director Mary Ester Blakley, encourage your participation as a Patron of the Arts at one of the following levels:

Diamond
\$500 & above

Emerald
\$250

Ruby
\$100

Sapphire
\$50

Pearl
\$25

Our generous patrons will be listed in each of our concert programs throughout the year, recognized on our **Patrons of the Arts** board at every performance and recognized on our www.vpsings.com website. We will provide our **Gems** the opportunity to sit in reserved seating when possible and provide **Gems** with advanced notice for purchasing tickets.

Please consider this wonderful expression of support for our talented and hard-working students. Your support helps to fund operating costs of the choir, such as music and accompanists, as well as to offset the cost of future choir trips. If you are able to join in this financial partnership, please complete the attached information slip, enclose your check payable to VPHS Choir Boosters, and return to:

Christina Rock, 1209 E. Park Lane, Santa Ana, CA 92705.

Thank you for your support!

Christina Rock, **Gems** Program Coordinator
